

WILLIAM STEVENS - 6.

Q. Did you hear Dr. Hall go to the phone?

A. I did.

Q. Did you hear what he said?

A. The only thing I can remember sounded like something, sounded like that's bad. That's all I can remember. I wanted to be polite and did not want to listen to the telephone.

Q. That's all you recall, your impression what was said by him at that time?

A. Yes.

Q. Could you tell from what he said or what you heard, who he was talking with?

A. I could not.

Q. Your sister was downstairs at the time?

A. As I remember.

Q. You remained in your room until bed time?

A. I did.

Q. What time did you go to bed?

A. Anywheres between eight and half past nine. I had no special time. Sometimes stayed up to half past eleven reading, when I got a good story. You know how you do yourself.

Q. What next happened after you went to bed?

A. I was called by Mrs. Hall, oh, I couldn't tell, but she says about half past one. She knocked at my door. I was sound asleep and said what is it and she said Edward isn't home I want you to come down and see if he has fallen asleep in the church.

Q. Did you get up?

A. I did.

Q. What way did you leave the house?
